

Animal observation explorer

Look closely. Ask questions. Stay curious.

Name (optional): _____

Date: _____

Watch respectfully and follow your host's guidance.

You can also observe an animal photo at home.

Animal / species: _____

Not sure? Write "unknown".

Animal name, if known: _____

1 Sketch your animal

Look for shapes, colors, and patterns.

2 Three things I notice

1. _____

2. _____

3. _____

3 Movement & surroundings

How does it move? Or, what clues can you see in a photo?

What do you notice about the place around it?

4 Ask your ranch host

Write one question about this animal's care.

What did you learn? (Fill this in after you ask.)

Big questions. Gentle observation.
